## Notes

Blackwork motifs are back-stitched using a single strand of embroidery floss. Outlines are worked in stem-stitch using a double strand of floss. The model is shown on 14-count Aida cloth and uses the following colours of DMC thread:

Back-stitch (single strand)	Stem-stitch (double strand)
 DMC 817	 DMC 817
 DMC 721	 DMC 721
 DMC 742	 DMC 742
 DMC 700	 DMC 700
 DMC 995	 DMC 995
 DMC 550	 DMC 550

The following is worked as a single long stitch:

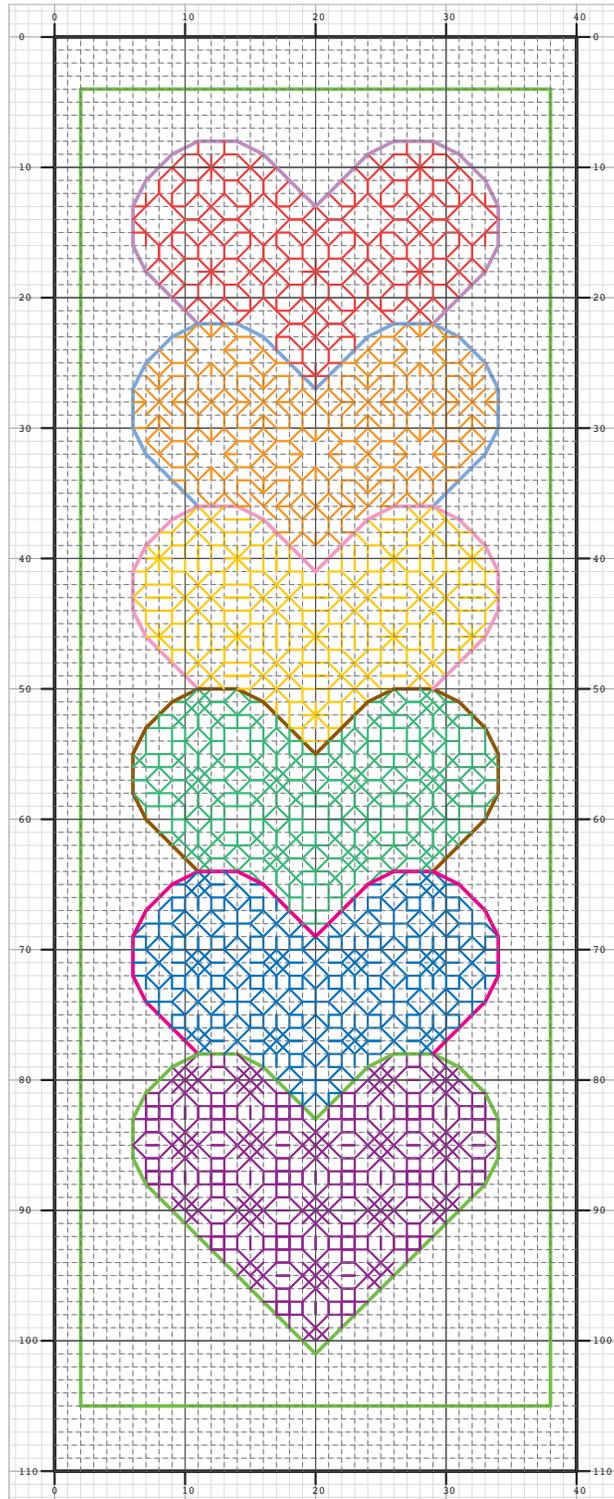

Finishing: Cut around the stitched area, 6 squares outside the stem-stitch border. Unravel 3 rows of squares to form the fringe, leaving 3 rows between the border and the fringe.
